

Support when you need it

Your U.S. Bank Employee Assistance Program (EAP) through Optum

Your EAP offers support and resources to help enhance all aspects of your wellbeing.

If you or your family has questions, big or small, your EAP benefit offers 24/7 confidential support for managing:

- Anxiety and depression
- Childcare and eldercare support
- Chronic conditions
- Parenting and family issues
- Relationship problems
- Substance use
- Workplace changes

How does it work?

You can call to speak with employee assistance specialists who provide consultation, risk screening, advocacy, referrals and educational materials. Or you can use our web services, which are available in English and Spanish. Search self-help information, resource databases/directories, video programs, personal empowerment programs and thousands of articles online at liveandworkwell.com (enter access code **USBANK**).

More information about what's available to you

Counseling services

Looking for a little extra support? You and your household members can get up to 8 visits with a virtual or face-to-face counselor per issue, at no additional cost, per calendar year. When you call your EAP, they'll help you find the right fit.

Legal counseling and mediation services

Through your EAP, you can receive 30-minute telephonic or in-person consultation with a state-specific attorney or qualified mediator at no additional cost, per separate legal issue, via a national network of more than 22,000 attorneys and 630 professional mediators. Ongoing services are provided at 25% below the firm's current rates after the initial consultation.

Financial coaching from experts

Take control of your finances with extensive online tools and resources. You can also access up to 60 minutes of free consultation (provided in 30-minute increments) with a credentialed financial coach for each financial issue.

ID Theft Protection

Your EAP also provides 60 minutes of free consultation with Optum® ID Theft Protection to prepare a 7-step emergency response. If you experience fraudulent charges, you will be connected right away with a Fraud Resolution Specialist, who can help you dispute the charges, restore your identity and take steps to avoid future losses.

Calm and Calm Health

Calm offers tools to help build resilience, get better sleep and feel more present in your life, including meditations, breathing exercises, Sleep Stories, daily tips and more. If you're a UnitedHealthcare member and want additional mental health tools, try Calm Health. It offers many favorite features from the Calm app plus mental health screenings, evidence-based learning and referral pathways. Go to liveandworkwell.com/calm and enter access code **USBANK** to access either app.

Talkspace

With Talkspace, you can reach out to a licensed, network EAP provider, 24/7. Receive up to 8 counseling visits per issue, at no additional cost, per calendar year. If you're enrolled in a U.S. Bank UnitedHealthcare medical plan and receive additional sessions after the initial 8, costs are based on your medical plan. Call us at **1-877-855-1336** to obtain an authorization code and then visit talkspace.com/connect to register. For the best experience, use Chrome and have your EAP authorization code and/or medical ID card handy.
